Remember Team Leader Nomination Deadline... whether it is you or someone else, get your nominations in before the June 23 deadline.

In July, the club will elect the new governing body consisting of the leaders of the following teams:

1. Community Support
2. Issues and Advocacy
3. Elections and Voting
4. Member Engagement
5. Social Activities
6. Communications and Technology
7. Fundraising
8. Financial Management
9. Administration and Office Management

If you would like to suggest someone (or yourself!) to lead one of the above teams, please email dekalbaldemocrat@gmail.com with "Nominations" in the subject line by June 23. The Nominating Committee will compile suggestions into a final candidate slate.

These nine leadership positions will be the only club offices. Those elected will serve as interim Team Leaders until the regular election in February 2027. You can read more about teams and leadership roles here:

Now is a great time to get involved. As the November election approaches, we are hosting candidates and supporting campaign rallies while we continue to register voters, build alliances, and provide opportunities for members to connect, learn, serve, and have fun.

Please make sure we have your up to date information, especially the contact info and current address.

REMEMBER: All of the club's work is done by volunteers. If you can help, take an additional minute to check any of the Volunteer activities that you would help with.
